

View Lutron Fabric Collections Online with the NEW! Web-based Fabric Application Library

This newly refreshed tool, available by visiting **lutronfabrics.com**, is accessible from any internet-ready device and replaces the iPad®-only version – a single resource for all fabric specifications.

- Access this tool on any smartphone, tablet, or computer
- Browse fabrics by Shade Type or Collection – newly added categories include Tensioned Shades and The Performance Collection
- View a multitude of application photography in the Inspiration Gallery
- Search fabrics by specific criteria – Usable Width, Color, Opacity in addition to Family Name and SKU – and get real-time feedback as selections are made
- Share web links to fabric or fabric family
- Order FREE fabric samples – ship them to yourself or directly to your client
- Save your Fabric Favorites – Fabric Favorites and Fabric Samples Cart will be saved across all devices
- Get answers to Frequently Asked Questions under Resources – now updated to include THEIA fabrics and a link to the Performance Shading Advisor

Visit **lutronfabrics.com** and start browsing today!
