Caséta works with Alexa

Create just the right light using Alexa voice control.

Smart Bridge   Amazon Echo Show   Amazon Echo   Amazon Echo Spot   Amazon Echo Look

Getting started is easy

Step 1

Install your Caséta system, connect it to your Wi-Fi router, and download the Lutron App.

Step 2

Plug in your Alexa-enabled device, download the Amazon Alexa app, and connect it to your Wi-Fi network.

Step 3

Enable the "Lutron Caseta" skill in the Amazon Alexa app, then say "Alexa, discover my devices."
