

A modern hotel room with a bed, a glass shower, and a decorative light fixture on the wall. The room features dark wood paneling, a large bed with white linens, and a glass shower enclosure. A decorative light fixture is mounted on the wall above the bed. The text "the myRoom *difference*" is overlaid on the image.

the myRoom *difference*

More than *55,000*  
guestrooms with myRoom  
around the world

For the *quest*

### **Beautiful lighting experience**

- Smooth continuous dimming to 0.1%

### **Elegant, intuitive controls**

- Easy to use for any guest; no tech-savvy needed
- Universal engravings remove any language barriers

### **Bedside “master off”**

- Guests can turn off lights and close shades from the comfort of bed

### **Dynamic backlit keypads**

- Button backlighting adjusts to ambient light making it easy to see engravings
- Backlighting dims when room is in full blackout to prevent disturbance

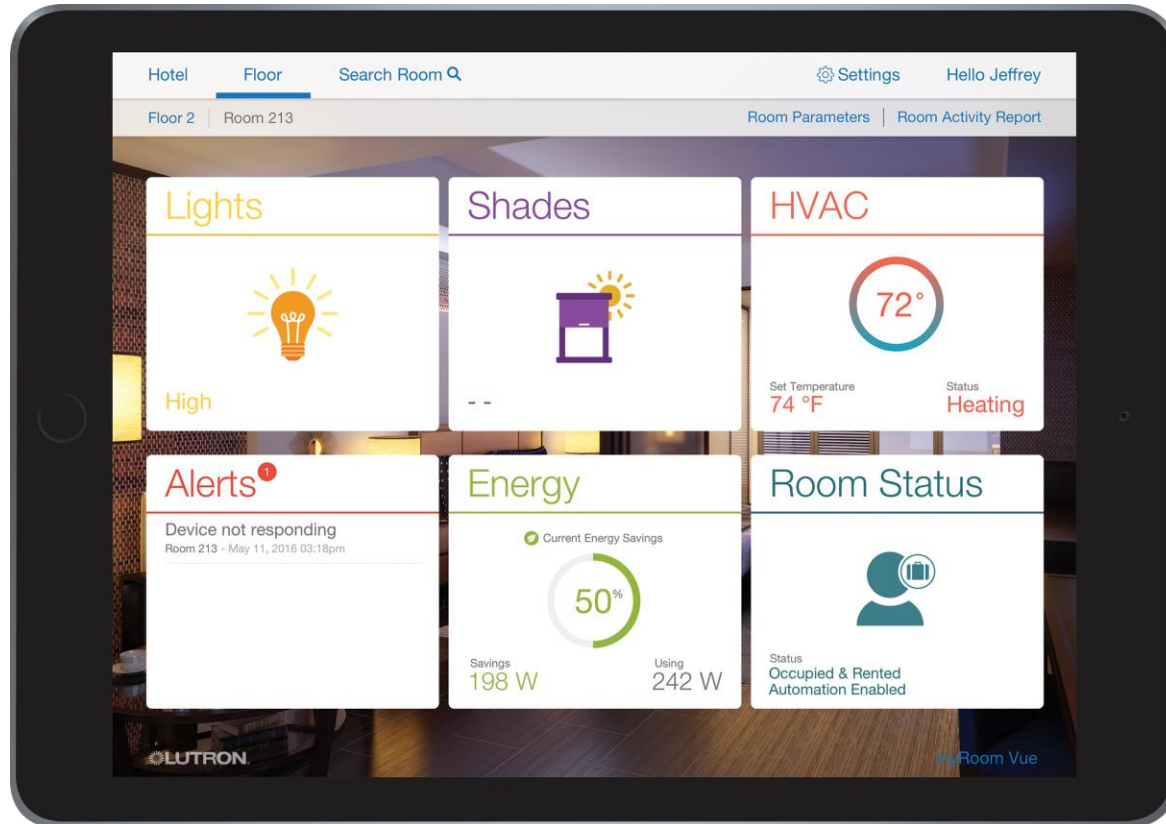

### **Integrated shade & drapery control**

- Seamless control of shades, draperies, and lights from the same system / wall controls

### **Beautiful, coordinated aesthetics**

- Matching light, shade & temperature keypads
- Coordinated with USB and plug receptacles

For the *staff*

## Energy Savings

- Reliable Guest Presence Detection
- Up to 30% energy savings when sensors are paired with integrated thermostat
